IPT SPECIALISATION COURSE
CHILD PROTECTION, MONITORING AND REHABILITATION
29 October – 6 November 2016

WHAT TO EXPECT

This IPT Specialisation Course equips participants with specialised knowledge and skills to become effectively involved in monitoring, advisory and executive functions to protect children in crisis areas.

Children are subject to abductions, military recruitment, killing, maiming, and numerous forms of exploitation. The multiple distresses affecting children in armed conflicts call for a multiple track approach and well trained experts to safeguard their rights. Participants will

- ✓ Devise child rights assessment and monitoring strategies for the prevention of child rights violations
- ✓ Get familiar with strategies to reduce the impact of armed conflict on children
- ✓ Understand child rights-based and child-participatory approaches
- ✓ Apprehend instruments and actors for the implementation of strategies for child protection, monitoring, and rehabilitation

COURSE FEES: 1.410€ include tuition fees, course materials, coffee breaks, full-board accommodation, joint transport to and from the airport, and a social event

APPLICATION DEADLINE: 1 July 2016
